

VIRTUAL S.T.E.M. AT THE ZOO

TUESDAY, NOVEMBER 17, 2020
5:30PM-6:45PM

Join Blank Park Zoo, Bramble Park Zoo, and Tracy Aviary for a special night celebrating how Zoos and Aquariums use Science, Technology, Engineering, and Math to care for and save wild animals.

Participate in fun activities virtually that encourage students to explore science related fields. Information is geared toward children in grades K-5 but younger and older children can learn too!

Families that respond to our S.T.E.M. Night evaluation survey received at the end of the event will receive free tickets to visit Blank Park Zoo.

Space is limited, families must register to receive Zoom link.
